Destined for Success

Online Searching for the K-12 Digital Native

When was the last time your students called library software “sweet?” That’s what they say about Destiny Quest™, the first library search interface designed to appeal to today’s digital native students. Destiny Quest engages students in a visually appealing and highly graphic online searching experience, leveraging Destiny’s proven K-12 research strategies to help them easily locate and identify appropriate resources.

Navigating the Internet is second nature to today’s students. With Destiny Quest, students apply the web-savvy skills they already know and expand the skills they need to thrive as 21st century learners.

Destiny Quest™ is a K-12 student-friendly searching interface included with Destiny Library Manager™, the comprehensive, award-winning K-12 library automation solution from Follett Software Company.

Search Tool for the Digital Native Student

The screenshot shows the Destiny Quest search results page for the keyword 'weather'. The search bar at the top contains 'weather' and a 'Go!' button. Below the search bar, there are navigation icons and a 'Narrow Your Search' sidebar with filters for Author, Subject, Accelerated, Reading Count, Lexile, Series, Awards, Publication Year, Language, and Format. The main area displays a grid of book covers. A callout box points to a book cover with the text: 'Mouse over a title for more information.' Another callout box points to a 'My List' button with the text: 'Drag and drop to save titles into "My List."'

The screenshot shows the title details page for the book 'Weather: FAQ, frequently asked questions' by Valerie Wyatt. The page includes a star rating of 4.0 (4 reviews), a description: 'Provides general information on the weather and includes experiments children can do.', and a 'Quiz Info' section showing 'Accelerated Reader®: 5.7 (1.0 pts.)'. There are tabs for 'Additional Info', 'Quiz Info', 'Awards', and 'Reviews'. A 'You may also like' section lists related titles: 'The universe', 'The magic school bus inside a hurricane', 'El Niño', and 'The paper airplane book'. A callout box on the left says: 'Destiny Quest displays title details, which can include any cataloged digital media, educator-approved websites, eBooks and other resources.'

The screenshot shows the 'Visual Shelf Browse' feature, which displays a horizontal carousel of book covers related to the current title. The carousel includes covers for 'Weather: FAQ, frequently asked questions' by Valerie Wyatt, 'Weather words and what they mean' by Gibbons, Gail, and 'The weather' by Anthony Smith. Navigation buttons for 'PREV' and 'NEXT' are visible at the bottom of the carousel. A callout box on the left says: 'Browse the shelf without budging an inch. Click on the scrolling carousel to see related titles to the left or right.'

See reading level at a glance.

Destiny lets patrons post and share reviews, providing safe, monitored social networking opportunities.

Expand reading with automatic suggestions showing additional titles of interest.

"My Info" saves resources in a personalized space, ready for check out now or in the future.
